Funds SA announces Chair and new Non-Executive Director

Funds SA is pleased to announce that Dr Guy Debelle has been appointed as Chair of the Funds SA Board from 24 April 2025.

Dr Debelle joined the Board in July 2024 and brings extensive experience in financial and economic policy, having spent 25 years at the Reserve Bank of Australia, the last six of those as Deputy Governor. He holds a number of board and advisory roles across private, listed, and public sector entities both in Australia and overseas. He also holds the position of Honorary Professor of the School of Economics and Public Policy at Adelaide University, and is a Director of the Clean Energy Finance Corporation and Tivan.

Dr Debelle replaces outgoing Chair, Paul Laband, who will be leaving the Funds SA Board following 9 years of distinguished service, the last seven of those as Chair.

In accepting his appointment Dr Debelle said, "Funds SA is a substantial and respected financial institution, and plays a crucial role in growing and protecting the investments of South Australian superannuation members and the SA Government. As a proud South Australian, I am honoured and humbled to take on the role as Chair of Funds SA."

Funds SA is also pleased to announce the appointment of Ms Anna Shave as a Non-Executive Director from April 2025.

Ms Shave brings extensive knowledge and experience in the investment and financial services sectors, with a strong focus on innovation and transformation. During her career, Ms Shave has worked in significant roles in investment banking, mining and private equity, and is currently the member of several boards and investment committees.

Commenting on her appointment, Ms Shave said, "I am very much looking forward to joining the Board of Funds SA and contributing to the future growth and development of the organisation and its clients."

Dr Guy Debelle

Ms Anna Shave

About Funds SA

Funds SA is the investment corporation owned by the Government of South Australia, managing investment portfolios on behalf of South Australia's public sector superannuation funds and approved public authorities across a range of different sectors, with funds under management of over \$46 billion.
