Deputy Chief Investment Officer and Director of Equities, Matthew Kempton, announces return to Melbourne

Matthew Kempton, Deputy Chief Investment Officer (CIO) and Director of Equities, has decided to return to his roots in Melbourne to be closer to family and pursue a new opportunity.

Chief Executive Officer, John Piteo, praised Matthew for his significant contributions to Funds SA over the past seven years.

"Matt has made a fantastic contribution to Funds SA and its clients, particularly in recent times, when he stepped into the CIO role during a period of significant change within the business. He is a very talented investor and leader who will succeed wherever he goes. While we are sad to see him leave, family always comes first," said Mr. Piteo.

CIO, Con Michalakis, echoed these sentiments, highlighting the privilege of working alongside Matthew over the past few months.

"It's been a pleasure working with Matt and developing a bond through a volatile period in the markets. As much as Matt will leave a hole which will be hard to fill, I am extremely fortunate to have a strong and deep team at Funds SA who will continue to strive for excellent outcomes for our clients and members," said Mr. Michalakis.
