Funds SA announces appointment of Head of Investment Accounting

Funds SA is pleased to announce the appointment of Mriganka Sarmah as its new Head of Investment Accounting.

Mriganka joins Funds SA from Northern Trust, where he held the role of Manager, Fund Accounting. He brings more than 15 years of investment accounting and unit pricing experience across the superannuation and managed funds sectors, with expertise spanning unit pricing and NAV governance, portfolio valuations, investment accounting and reporting.

Funds SA Chief Executive Officer John Piteo said the appointment would bring significant industry experience to Funds SA.

"We are pleased to welcome Mriganka to Funds SA. His extensive investment accounting experience and technical expertise will be a valuable addition to our team as we continue to strengthen our investment and operational capability."

“The Investment Accounting function plays an important role at Funds SA in ensuring high-quality, timely and accurate accounting, valuations, unit pricing and reporting, underpinned by strong governance and controls”.

Mriganka Sarmah succeeds Matthew Sanderson, who departed Funds SA in July after approximately eight years with the organisation, most recently as Head of Investment Accounting.

Mr Sarmah commenced in the role effective Monday 2 November 2026.

About Funds SA

Funds SA is the investment management partner for the State of South Australia, managing over $50 billion on behalf of public sector clients across superannuation, insurance, investment, and charitable entities.

Our purpose is to grow and protect our clients' funds over the long-term by delivering strong, consistent investment performance.
